GREYHOUND ADOPTION IS AN OPTION

By Eve

The Greyhound Adoption Program (GAP), is run by the Queensland Racing Integrity Commission (QRIC) to find homes for greyhounds that have retired from racing.

They encourage a positive image of the dogs to encourage the public to foster or adopt.

Since July 2009 greyhounds that have graduated from GAP are able to be in public without a muzzle. Green collars are issued to the dogs identifying them as being exempt from the state muzzling laws.

Greyhounds are sight hounds, hounds that hunt primarily by sight and speed, rather than by scent and endurance as scent hounds do. They have been bred specifically as racing dogs since the 18th Century.
