

# Investing for Success

**Under this agreement for 2020  
Brisbane Urban Environmental Education Centre  
will receive**

**\$5,496**

## This funding will be used to

- Respectfully embed indigenous perspectives, through the use of traditional stories and local language, into centre programs.
  - Four primary programs to have clear and explicit indigenous connections embedded.
- Develop quality pedagogy to maximise student engagement and connection to place in selected programs.
  - Teacher satisfaction with the effectiveness of teaching strategies from post-excursion online surveys.
  - > 80% teachers satisfied with effectiveness of teaching strategies.

## Our initiatives include

- Improve student engagement and connection to place through the improvement of teaching pedagogy and resourcing.
- Utilisation of specialists to assist with the development of programs and practice to meaningfully embed Aboriginal and Torres Strait Islander perspectives.

## Our school will improve student outcomes by

Funding of an additional support teacher to assist with planning and delivery of programs to maximise student engagement, connection and outcomes.
