THIS PARK HITS THE MARK

Alexandria Park, on the corner of Gregory Terrace, is attracting families seeking space and shelter from the crowd.

Alexandria Park took almost a year to complete and is part of the \$2.9 billion redevelopment of the Showgrounds.

Alexandria Park has new green, grassy areas.

The Honourable Justice David Thomas, President of the RNA, said: "Alexandria Park is the new home of our popular Canine Competition, presented by Black Hawk. The park offers Ekka guests and the public an extra two acres of green and event space."

Brisbane Urban Utilities have a display in the park where people can refill their water bottles.

"I think the park's great. There's lots of things for people to do. There's lots of varieties for kids, there's rest areas for mums and dads, educational areas for everyone to learn and other spots for people to have lots of fun," Mr. Lucas Maher from Urban Utilities said.

Mrs Chelsea, works at the amusements nearby.

"I love seeing everyone having fun. Seeing the children all enjoying themselves, and it's all about the families having fun together," she said.

This park is a place that all families can enjoy.
