## GAMERS ROCKET TO THE TOP

By Harsith and Isaac

At the Ekka on Sunday, two teams of high school gamers battled to win the prestigious Rocket League Trophy in the 2022 Esport final.

Forest Lake State High School and Mansfield State High School competed at the Rocket League Esport Competition. Forest Lake won 4–3, making them the Queensland Rocket League Champions of 2022.

Esports, short for electronic sports, is a gaming competition where participants play video games.

Rocket League is a vehicular sport-based video game based on teamwork and out-manoeuvring opponents.

Teams of four work together to use vehicles (cars) to advance a ball down a field and score goals in their opponents' net.

The Forest Lake Lions took the early lead in the first few rounds, but then Mansfield took the score to 3–2.

Forest Lake won the next two rounds, closely winning the championship.

“I have been playing for two years and it has been a pleasure to win this competition,” Rio, one of the gamers from Forest Lake State High School said.

“Our aerial, distance and power control brought us our win in this competition.”
