HOLD YOUR HORSES

Start horsing around and get into the Ekka spirit by visiting the Horsing Around channel on the Ekka online website.

During Ekka week there will be presentations on healthcare, training, handling, breeding, showjumping and more. You also meet Australian horse breeders who adore their four-legged friends.

The website has a schedule of the different presentations that will take place.

Racing Queensland is a proud partner of Ekka Online this year and will be presenting the channel, which is

hosted by Sammie O'Brien. Most of the clips are approximately five minutes of horsey fun for you and the family to enjoy.

Other channels featuring animals are: 360° Baby (Animal Nursery), Meet a Farmer, and Paws and Claws.

The horses and other animals aren't going anywhere, so hold your horses and go check in on what they're up to.
