Thanks for the Memories

The Ekka may look different this year but thousands of people can add to their precious memories of previous shows.

“The Ekka has been running since 1876 and is full of traditions and childhood memories which have been passed down through generations of families,” the RNA says.

We can still have lots of fun memories from this year’s unique online Ekka.

There are competitions to enter, a virtual animal nursery, a virtual show camp for year six students, and presentations on topics from gardening to cooking, horses to dogs and cats. Big feature events, like the fireworks and the motocross, can also be viewed online.

There are still tons of memories you can make, they just won’t be at the physical show, but from the virtual show where you can be COVID safe and warm and toasty in your house looking at the Ekka online.

We can thank the RNA for developing the Ekka 2020 Online program so that we could be at home for the Ekka and add to the memories we will always have about COVID-19. The restrictions would have been so boring without it.

Fairy floss, the ferris wheel and other side show alley rides may be missing this year but the joy of seeing Ekka 2020 Online is still amazing.
