## FLY HIGH WITH SKY DOODLES

By Zara and Matilda

Captain Eddy Doodles (Dmytro Karpenko) will be serving at his Sky Doodles fairy floss cart daily from 9:00am at the Kids Carnival.

Dressed as an aviator, Captain Doodles creates sculptures out of fairy floss.

"I found that I could make clouds out of sugar," he said.

He sells all sorts of these clouds, ranging from Santa's hats to unicorns.

He said that making fairy floss is "just like playing with play dough".

"Spinning and swirling and wrapping and moulding and also a magical process."

Captain Doodles has been travelling around Australia with his cart.

"I love watching children smile, that's the best part of my job," he said.

One young consumer said that Captain Doodles fairy floss is magnificent.

"I will tell you the secret of my age and why I look so good," Captain Doodles said. "It is because I'm eating fairy floss

everyday."

Sky Doodles regular fairy floss is \$5, a simple cloud is \$7 and a special cloud is \$15.
